## Culvert: New Installation/ Replacement Inspection: Driveway Apron/ Sidewalk

### [ ] New Culvert Installation: Fee - \$175.00

The Goshen Township Trustees require the installation of a Driveway Drainage Facility of a size, length, shape and type determined by the Goshen Township Service Director. It is understood that it is the responsibility of the property owner to purchase the culvert pipe to complete the new culvert installation project.

The Goshen Township Service Director will notify the applicant within ten (10) days as to the size, length and type of driveway facility required.

### [ ] Replacement: Fee- \$100.00

It is understood that it is the responsibility of the property owner to purchase the culvert pipe to complete the project replacement of the driveway culvert. The Township will install the culvert tile to assure proper drainage.

The Township requires a 12" x 20' galvanized tile, or double wall plastic, which will be determined by Service Director 20' minimum length. You may go longer if you wish **HOWEVER**, there is an additional \$5.00 charge for each foot beyond the 20' minimum. The Township replaces the gravel, we **DO NOT** replace blacktop or concrete.

### [ ] Driveway Apron/ Sidewalk Inspection: Fee- \$50.00

Before any concrete driveway apron and or sidewalk attached to apron is poured, the Service Director has to inspect the site. Please see attached detail for regulations.
